

SOUND SOLUTION

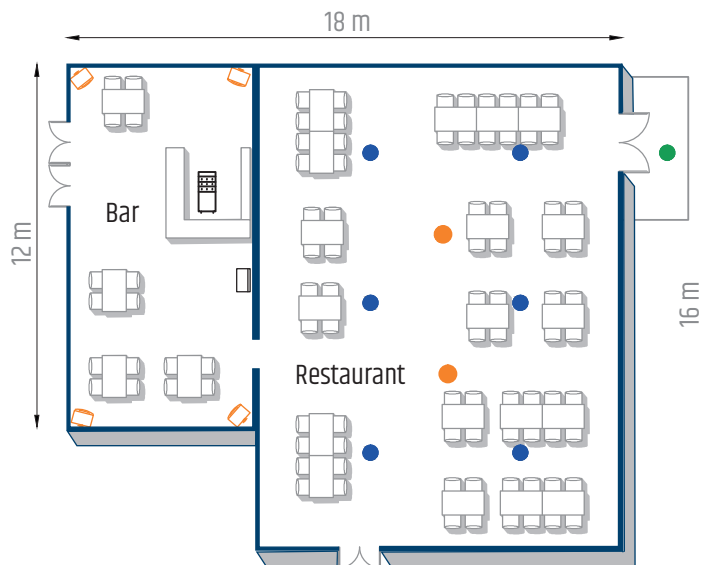

# BAR-RESTAURANT

A typical bar-restaurant installation may require different volume settings for different zones, with a 'Bar' area for a musical atmosphere and a quieter 'Restaurant' area.

## Schematic diagram

## Layout diagram

### Advantages

- 4 zone amplifier
- Power 4 x 100 W
- Coverage area 600 m<sup>2</sup>
- Volume of zones individually adjustable
- Multimedia player Tuner / USB / Bluetooth
